Player's Tour 2019

We want to line your pockets..... NexGen & Associated team up to announce the 2019 Players Tour. It is a competitive luck of draw format designed for NexGen & Associated league players only. There are 20 regular events running September through June with players competing for a spot in the championship in July. All tournaments are conveniently scheduled on Saturdays. Play in as few or as many as you would like!

Tour Basics

- **Good Sportsmanship:** Common sense and good sportsmanship are to be used to cover any questions that may arise during a match and are not covered explicitly in these rules. Try to treat others the way you would want to be treated. If you lose don't throw a tantrum, if you win don't taunt or brag, we would like to try to keep players coming back, not lose them because they were treated badly. Remember we are here to have fun & enjoy ourselves. We are bringing the party to you!
- **Game Time:** All players will be signed up at the event site before 7:45pm. There will be no call ins or late arrivals accepted.
- **Players:** Players must be participating in an active league with NexGen or Associated Vending throughout the fall of 2019 through winter of 2020.
- **Games:** Flip-N-Go 501 open in/open out, cricket and tie breaker game will be a choice between 501 open in/open out or cricket. Tie breaker is also Flip-N-Go. There is no diddling.
- **Cost to play:** Each player pays \$6 for each event played in. The six dollars (\$6) is a combination of five-dollar (\$5) shooting fee and one dollar (\$1) that goes towards a mystery out.
- **Player's Tour Standings:** Player's Tour standings will be posted at nexgenvend.com after each event is played
- **Schedule:** Player's Tour Schedule will be posted before fall leagues start in September. We will also keep everyone up to date on our website calendar and advertise on Facebook when the next event is scheduled!
- **Prize Money:** Each event has a \$100 add, match the pot and a chance at the mystery out. You must be present when the number is drawn to win the mystery out; all unpaid mystery out money rolls into the next event. If the mystery out still has money in the pot after all 20 events are played it will be drawn until hit at the Championship.
- **Cover Charge:** Locations will not charge a cover to Tour players during the event.

Rules

- The Player's Tour will feature 20 regular season events, followed by the Championship for qualified players.
- To play in the 2019-2020 Players Tour (20 listed events), you must be a currently active player **playing** in any NexGen or Associated Vending leagues running from September 2019 through July 2020. All In-House leagues are also included in this event.

 - Playing 1 Tour Qualifier only makes you eligible for 1 event. If you are not a committed league player or qualified sub of NexGen or Associated, this is the only other way you can play in the Players Tour.
 - The Tour Qualifier will be dated on the board and will only allow you to play for that event.
 - The Qualifier format is 501 and can be played with 1-4 players. You must sign in with a valid email or a hot button.
